### Purchase of educational items for students to own (Laptop, stationery & textbooks)

Parents are expected to provide the necessary equipment and materials for their child / children including a laptop, stationery and textbooks.

Please find attached the Lilydale Books order form which outlines the **Books and General Stationery** items your child will require for school next year. Families are welcome to source any or all of these items from their preferred supplier and we encourage supporting local businesses.

The College acknowledges that there is a significant cost to purchasing these items. The normal welfare strategies are in place at the College to cater for families who need this support. Please refer to the Parent Payment Assistance Options below.
