UNIFORM

RATIONALE

Mansfield Secondary College School Council has adopted the following policy for mandatory uniform to worn by students of the College.

The Principal, staff, parents and students are all responsible for the active implementation of the Uniform Policy in a manner consistent with the Student Code of Conduct.

Students must conform to the uniform standards on all College occasions unless otherwise directed by the College Principal.

This Uniform Policy applies during school hours, while travelling to and from school and when students are engaged in school events, excursions and activities out of school hours.

The wearing of the school uniform by students:

- Promotes a student's sense of identity with and pride in the College
- Raises the profile of the College and its students in the broader community
- Enhances individual student safety and group security

No student will be discriminated against on the basis of sex, race, ethnic group, nationality, religious beliefs, colour or disability.
