UNIFORM ORDERING INFORMATION FOR 2024 YEAR 7 STUDENTS

To help you prepare your child for the start of secondary school in 2024, we have prepared this information pack to assist you with ordering uniform items online.

- **Refer to the size guides to determine a suitable fit for your child**
 - We encourage you to reach out to family and friends within the community who have students currently attending the college and may be able to assist you with size selection.
 - MSC has multiple suppliers of various uniform items and the different sizing can be confusing. Please refer to the relevant supplier sizing chart in this pack when placing your order.
 - We hold a range of sizes but please understand that sometimes we may not carry the size your child requires. If your child requires sizes that are not specified in the online store, please contact the School Office to discuss.
 - Please consider when ordering that your child may grow between now and the start of 2024 and we recommend ordering on the 'large' size so that you have growth in the item/s.
- **Place Uniform order online**
 - To start the year, your child will need at a minimum, a summer uniform and a sports uniform. Jackets, jumpers and long pants are optional. There are 2 styles of jackets- a softshell lighter weight option and a warm winter weight polar fleece.
 - Uniform needs to be purchased through the MSC Uniform online store. Our online store has photos of all garments and detailed in the following pages, is information to assist you with your uniform order.
 - The uniform online store is open now and is welcoming orders:
<https://www.mansfieldsc.vic.edu.au/uniform-shop>
 - Please place your uniform order by **27th of October 2023**. This deadline is to ensure that all orders arrive in time for the new school year and that all students are able to attend their first day of school in full school uniform.
- **MSC School Office will contact you when your order is ready to collect**
 - We will fill orders as we receive them, hoping to have most orders collected by the end of 2023.
- **Have your child try the uniform item/s on to check sizes are correct**

If you find that items do not fit, there will be an opportunity to exchange for alternate sizing. In order for us to exchange any items, we ask that any tags be left on the garment/ s and that items are not washed. **Please note that uniform items without tags or that have been washed cannot be exchanged.** Please contact the School Office ASAP if you need to exchange any items and we will advise a suitable time to return the items and collect alternate sizes.

Please do not hesitate to call the School Office on 5775 2022 if you have any questions or need assistance with your online order.

How to measure

The following guides have been put together to help you select the right size. The size guides should be used as just that – a guide. Please be aware that the **measurement tables indicate the size of the child**, not the garment. Garments will vary according to the size & fit of the particular garment.

NECK

Measure around the neck where the top of the shirt collar would sit - leaving room for comfort.

CHEST / BUST

Standing naturally, measure under the arms around the fullest part of the chest & shoulder blades.

WAIST

Measure around the natural waistline.

HIPS

Measure around the fullest part of the bottom.

HEIGHT

Bare feet, together and flat on the floor, measure from the top of the head to the ground.
